

SINCE 2024

PLUTONIA DYNAMICS

Innovate | Automate | Elevate

www.plutoniadynamic.com

Welcome to Our World

Plutonia dynamics specializes in automation, manufacturing, and trading of industrial materials and components.

We provide customized solutions including conveyor assemblies, workstations, racks, and fencing systems.

With a focus on quality and innovation, we support industries with reliable and efficient infrastructure.

Our experienced team ensures end-to-end service from design to delivery.

OUR BUSINESS

AUTOMATION

- Design and development of custom automation systems
- Assembly line automation
- Conveyor automation & integration
- Lean manufacturing setups

TRADING

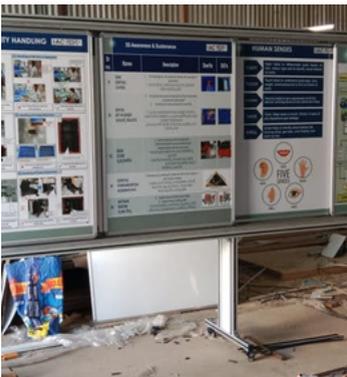

- Bolts, screws, and fasteners
- Storage bins and containers
- Aluminium sections and extrusions
- Pipes, joints, and connectors
- Safety fencing & barriers
- Assembly components for lean and ergonomic workstations

MANUFACTURING

Manufacturing operations are in the planning phase.

We aim to launch with professionalism, creativity, and excellence.
